All the children should be super proud of their efforts. Congratulations to Aliyah, Annabelle, Brodie, Joshua, Brianna, Kaylee and Saige who will represent the South Coast Region next term at the State Carnival.

Fund Raising for Holly Burns Foundation

This Friday 28th September at 1:15pm Cate Morrison will be having her head shaved by Local hairdresser Angela Brooke as part of her fund raising effort for the Holly Burn Foundation. Cate's hair will be going to Variety to create a cancer patients wig and of course all the funds Cate has raised over the last months will be going directly to the Holly Burns Foundation. Cate reached her first \$ goal and has reset her target 3 times and would love the support of the Milton Public School community.

Students are encouraged to come to the school hall at lunch time. There will be a gold coin donation required to witness Cate having her actual head shaved. This will be collected at the Assembly door.

Tennis Coaching

A wonderful opportunity has been offered to the students at Milton Public school by local tennis coach, Kevin Murphy. Students will complete three sessions of tennis coaching at the Milton tennis courts with the students in their class. Tennis is a fantastic sport for fitness, hand-eye coordination and for socialisation. Tennis is also a sport that can be played well into old age and is an opportunity not to be missed. Many classes have already participated in tennis coaching sessions this term and had a great time. Next term 3C, 3D, 3H, 4A and 4C will attend sessions in Weeks 1, 2 and 3. Notes have been sent home with students and we would love to have notes and payment in by the end of this term. Classes 1R, 1S, 1T, 1/2J, 2O and 2RB will attend sessions in weeks 4, 5 and 6. Notes for these classes will be sent home next term.

Year 4 Jervis Bay Dolphin/Whale watch excursion.

On Monday 17th September, all of year 4 went to Jervis Bay for the amazing Dolphin/Whale watch. It was 3 hours on the cruise with lots of wildlife to see. Some students were sick. After the cruise we had lunch in the park with an amazing climbing pyramid.

We went on the bus to Huskisson. We were going on the dolphin watch cruise and everyone couldn't wait. Once we were on board Keoni and I sat down and had crunch and sip. The top deck was crowded but as soon as the first sighting of a female seal and its baby, everyone rushed to the front to see them. The captain said the mother seal was about 1-2 metres long and 250kg!

After journeying through the heads the dolphins followed our every move while they were hunting for fish. Some students were feeling sick. I was out the front, wind in my face watching what I thought was about 12 dolphins. Then out on the horizon we saw three humpback whales. After a while we had to head home due to the time frame and ammunition practise at Beecroft range.

When we were back at shore, we went to the park for lunch and had fun climbing on the huge pyramids. Most people found their land legs and felt better. We had a great day out on Jervis Bay.

War on Waste! WOW!

Thank you so much to last week's warriors! I would particularly like to acknowledge Maya and Olivia who worked with a very keen group of Kindy "Warriors". Your initiative and cleverness in encouraging the younger students with a game of "stuck in the mud" when they had completed collecting and sorting soft plastic was brilliant. Thanks also to Olivia again, who took it upon herself, after the fete had concluded to still do the soft plastic job (all her other warriors were absent or had gone home) and then continue with Mrs Harding's recycling. This week's wonderful "Warriors" are:

1. Mrs Harding's Recycling: Josh, Jack, Cameron, Dylan and Bayden
2. Staffroom: Mia, Sonny and Danyah
3. Compost: Isaiah and Kalula
4. Recycling: Annie-Maree and Ruby
5. Soft Plastic: Evie, Tilly, Torah, Lilla, Willow, Ava and Grace

The above students have already displayed excellent organisational skills and enthusiasm for a job that is not always joyful! We are lucky at MPS to have so many selfless and caring students who are totally committed to the future of the environment!

The Future of our Canteen

Our canteen is a busy place with hundreds of families buying recess and/or lunch on a regular basis. The school employs a canteen manager however we rely on 2-3 volunteers each day to help with the amount of work required to get lunches out on time.

We have had a good response to our call for help over the last few weeks but we still need more helpers for most days. No experience is necessary, we just need a bunch of happy, positive people who can lend a hand to keep the canteen operating. We will even supply you with lunch.

Is this you? Can you help? Please phone Bec our canteen manager through the school office (4455 1504) between 9:30am and 2:30pm school days, or fill-out the return slip included with this newsletter.

MILTON PUBLIC SCHOOL P&C FETE

Thank you so much to everyone for yet another brilliant Fete Day! Once again, we were blessed with sensational weather and at 11 o'clock on Friday, the school exploded into a mass of excitement, smiles and laughter. The Milton Public School fete is unique, the secret to its success, year after year is dedication, support, hard work, but most importantly the sense of community. So many people have been involved in making this annual event a success, all

of it is done for each and every one of you. To all of the teachers at MPS, thank you for organising such wonderful stalls and for continuing to be the amazing and dedicated people that you are. To all of the students, thank you for your energy and enthusiasm on the day! The highlights of my day were by far seeing your beautiful smiles, hearing your laughs and hearing the joy in your voices.

To Rebecca in the canteen, thanks for all of your support leading up to and on fete day. Thank you for letting the ladies who ran the Devonshire Tea and Asian food invade the canteen. You have been so flexible and accommodating; we appreciate your support.

To the ladies in the Front Office, thank you also for all of your support as well. There is no much that goes on behind the scenes, not only for the fete, but particularly the raffle. More often than not, the Front Office is the go-to and holding place for things such as the huge raffle box and books for the book stalls, thank you for being part of our team.

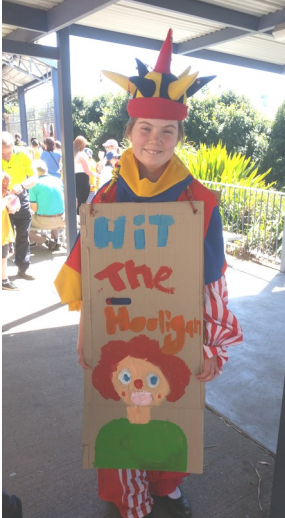

To Steve and George, our hard-working GA's. Thanks so much for all of your efforts in helping to get the fete set up and packed away again. Nothing was a hassle on the day, thanks so much guys!

Thank you to all of the volunteers who helped to setup and run stalls, without your help, we could not have run as many stalls as we did. We had more than 65 volunteers and many more just offered their help on the day. An awesome effort!

To all of the businesses who supported MPS for the raffle and on fete day, thank you so much for your kind donations. We have had more than 70 businesses directly support our school on fete day this year. We are absolutely overwhelmed by how generous

our local community is, your on-going support is truly appreciated. Thank you to everyone who supported the raffle! A special mention and congratulations to Alysha Kilborn. Well done Alysha, you sold the most raffle books in the whole school. As a token of our appreciation, Alysha has been presented with a \$60 voucher to Toy World, Ulladulla. Finally, to all of the members of the P&C: Fete preparations started way back in Term 2, as the time got closer, the pressure intensified and the energy just grew. Last Tuesday night, we have finished our meetings at about 10:45. I tried to get everyone home earlier but the team just wanted to keep going, they wanted the details to be perfect and we just wanted to finish folding all of those tickets! So many hours have been spent at meetings, preparing stalls, ordering products, organising floats, seeking donations, collating raffle tickets, contacting businesses, baking, making fairy floss, organising prizes and the list goes on. From the bottom of my heart, thank you so much to each and every one of you. We have a great team. Your commitment to this school and to every student has not gone unnoticed.

It is with absolute pride and excitement that I would like to reveal that at this stage, the total amount of money raised from the raffle and fete is \$29,000. A final amount will be announced next term once all invoices and takings have been received. The P&C will now work with the school to discuss, plan and purchase resources that will support all students at MPS.

Thank you again to everyone involved!
