

Term 2 Week 7

Tuesday 11th June 2019.

War on Waste: WOW!

This week's fabulous Warriors are:

Staffroom: Taz, Justice, Tamryn, Mia

Compost: Grace, Quinn, Mia, Penny, Pearl

Return and Earn: Alice, Matilda, Cassie, Jay

Soft Plastic: Suvi, Amarni, April, Charlie, Bahlie, Annalise, Evie

Year 5 News

Mogo excursion is tomorrow Wednesday 12th June. The students need to be at school by 8:30am as the bus leaves at 8:45am. Students will need to wear their school uniforms and bring their food and drink and a warm jacket. The bus returns to school at 4:00pm. All students will need to be picked up from school at 4:00pm. Students who normally catch the bus home from school will need to make alternate arrangements for pick up at school.

Storyfest 2019

Milton Public School has been invited to participate in Milton Mollmook Ulladulla Storyfest 2019. As part of this program to celebrate storytelling in all its forms, a number of authors and shows will be coming to Milton School. Below is a schedule of events for each grade. Notes have been sent home with students and should be returned no later than Tuesday 18th June.

Kindergarten – Wednesday 19th June 10:00 – 11:00am.

Olivia and Grug Storytime. Children will be treated to a special storytime event with favourite characters Olivia and Grug.

Years 1-4 Friday 21st June 10:00 – 11:00am.

Telling stories through pictures Leigh Hobbs.

Bestselling Author and Children's Laureate, Leigh Hobbs shows how to tell stories through pictures using his favourite character *Mr Chicken* and his new book *Mr Chicken All Over Australia*.

Years 3-6 Thursday 20th June 2:00—3:00pm

Katrina Nannestad

Award-winning author Katrina Nannestad will have kids rolling in the aisles with her hilarious heart-warming tales.

Years 5-6 Thursday 20th June 10:00am-11:00am.

Harry Potter festival event. Explore the magical world of the Harry Potter books with Professor Frankie Falconette, as she brings to life the characters, creatures and adventures from J.K. Rowling's bestselling series. Includes dress up competition and children can bring their own Harry Potter books for the Professor to stamp with her exclusive stamp. (Only Harry Potter show officially sanctioned by J.K. Rowling.)

Storyfest Workshop

Years 1-4 Friday 21st June 11:45am – 12:45pm (25 students only) Creative Workshop with Leigh Hobbs. Unleash your inner creativity using words and pictures in this fun-filled workshop.

The next P&C meeting will be held Tuesday, 18th June, at 7:00pm in the Milton Public School Staff room. The committee working on the homework review will be presenting the final version of the policy (that has been written with input from teachers, parents and students over the past term) for final approval. All welcome.

WHAT'S HAPPENING THIS WEEK

WEDNESDAY

- Tennis Coaching—4T, 5W
- Year 5 Mogo Goldfield Excursion

THURSDAY

- Tennis Coaching—4A, 5Y

FRIDAY

- Stage Assemblies : K-2—12:20pm—2S

- Scholastic Book Club Issue 4—Orders due

MONDAY

- K-6 Assembly
- PSSA Boys' Rugby League Knock Out

TUESDAY

- School Banking—Bendigo Bank
- Interschool Debating Competition
- Tennis Coaching—5C

COMING EVENTS

Storyfest

Wednesday 19th June to Friday 21st June

3-6 Athletics Carnival

Wednesday 26th June

Year 2 Past Times Excursion

Thursday 27th June

Naidoc Week

1st to 5th July

MPS NAIDOC Celebrations

Wednesday 3rd July

PSSA Boys Rugby League

The boy's rugby league will be playing their postponed match with Ulladulla Public School this Monday the 17th of June, at the West Ulladulla Sporting Fields. The match will be played at 10am with the winners playing a second game against Batemans Bay directly after. Have a great time boys.

Tennis

Last Friday, the MPS tennis team smashed their opponents 6 sets to 2 (39 games to 15). With two sets of siblings playing, Tom & Will and Claire & Grace, all players represented MPS with sportsmanship and a determination to win. Tom and Will did not lose a game in the five matches they were a part of. This is impressive considering that it was the semi-final of the South Coast. Grace played her first match of the year winning comfortably, 6 to 3. The team now goes on to play the Final of the South coast in the next two weeks. We wish them congratulations of a strong performance and best of luck for the final.

Boys Basketball

Last Thursday the MPS boys Basketball team played a ripper of a game against Sanctuary Point PS. Unfortunately, our boys went down 22 to 15. The team consisted of: Will was top scorer with Indy making great contribution on the scoreboard. Reece, Cooper and Wade were all strong delivering the ball as guards. Eddie, Noah and Cameron were superb, both offensively and defensively. The boys were great ambassadors for the school and demonstrated great sportsmanship.

Regional Cross Country

A quick rap-up of the Regional Cross Country Carnival as our last year as the Eurobodalla District. It was a fabulous day. All students represented our district well and displayed great sportsmanship. We had a few outstanding runners. Congratulations to Jacob from Broulee for placing 1st in the 8/9 boys. Taylor from Broulee also made the South Coast team placing 3rd in the 8/9 girls. **Sarah from Milton** placed 2nd and Sienna from Broulee placed 3rd in the 10 year girls. **Aliyah from Milton** also placed 1st for the 11yr girls and **Will from Milton** placed 5th for 12/13 yr boys. Congratulations to all competitors on their pleasing results.

Woolworth's Earn and Learn Stickers

If you happen to be shopping at Woolworth's Ulladulla, please collect the 'Earn and Learn Stickers' each time you shop and either place them in the Milton Public School Sticker Box at the store or the students can bring them to school and place them on the sticker chart or in our box in the office. You can collect stickers right through May and June. These stickers can be converted into points and then our SRC will choose science and sports equipment to support our programs here at school. It is a terrific initiative and we thank you for supporting our school.

CANTEEN HELPERS NEEDED

To be able to keep the school canteen operating every school day, we need to have volunteers to assist with the preparation of our tasty menu for both recess and lunch. No previous experience is needed, all training given on the job and lunch is provided. We are once again looking for parents, grandparents or friends who could spare some time either once a term, once a month, once a fortnight or even once a week (but only for those who have the time to spare) to help in the canteen from 9:30am till 1:45pm.

If you are interested in helping, please contact Bec in the canteen or the school office. A working with children declaration will need to be completed annually but should take no more than 2 minutes to complete. Looking forward to seeing lots of new volunteers in our canteen

Milton Public School offers Special Education in Ethics—Helping children develop skills for life.

Ethics classes support children to develop a life-long capacity for making well-reasoned decisions about ethical issues. Through the give-and-take of reasoned argument, students learn to disagree respectfully, to challenge ideas and to support their arguments with considered evidence rather than according to habit or peer pressure. Our volunteer ethics teachers use detailed lesson materials which present a range of stories, scenarios and questions to generate discussion. Ethics teachers are trained to impartially facilitate student discussions, helping students develop their critical thinking and collaborative inquiry skills. Ethics teachers support student learning by:

- modelling the inquiry process – by asking questions and encouraging discussion
- showing genuine curiosity and interest in the questions being discussed
- staying neutral – ethics teachers are trained to keep their own views out of the discussion
- creating a positive learning environment – by allowing students time to think, encouraging students to share ideas and give reasons.

The Special Education in Ethics program is provided by Primary Ethics. You can find out more information about the program by contacting the school on 4455 1504 and from the [Primary Ethics Website](#).

Scholastic Book Club

Order forms for issue 4 of Scholastic Book Club have been distributed to students last week. Please return order forms to school or place your order online by **Friday 14th June**.

Year 5 Berry Camp

Students are already excited about the Term 3 excursion to Berry Sport and Rec Camp in September. The deposit and first instalment should now be paid and the second instalment of \$60:00 is due by this Friday 14th June.

Year 6 Canberra Excursion

Year 6 students are excited about the Term 3 Excursion to Canberra. The deposit and first instalment should now be paid and the second instalment of \$60:00 is due by this Friday 14th June.

Kindergarten Enrolment

Milton Public School is now taking enrolments for Kindergarten 2020. If you have a child that will be enrolled for Kindergarten in 2020 or you know of someone who does, please complete the Expression of Interest form available from Pre-schools, the school office or go to milton-p.school@det.nsw.edu.au and follow the links.

The Fathering Project

The Milton Ulladulla Apex Dad's Group which is part of the National 'The Fathering Project' has joined forces with local primary schools (Milton, Ulladulla and St Mary's) to help provide support for dads or father figures and kids. The first event is to be held at St Mary's Star of the Sea Primary School on 24th June. All families are encouraged to attend the Paper Planes and Pizza event. If you would like to be a part of this group, please visit the website: <https://thefatheringproject.org/event/community-launch-milton-ulladulla-apex-dads-group-nsw/> or for more details visit www.thefatheringproject.org/dads-groups or [become a member](#) – for free tips and advice.

Weekly tip: Winning and Losing well

Weekly Tip:
Helping your kids feel special.

In June, our weekly tips aim to inspire and equip dads with kids in sport.

This week; how can you help your kids learn how to win and lose well?

- Encourage your child to congratulate their opponent when they lose, and not boast when they win.
- Talk about the game afterwards and help your child to see where they did well and areas where they could critique themselves constructively - were they a good sport, do they think they gave their best effort, how could they work better with the team?
- Encourage your child to do their best at all times, and share some tips on how you stay motivated with your sport and other challenges.
- Openly recognise good sportsmanship in your child and others.
- Don't be the 'ugly parent' at your child's events – cheer good play by both sides and treat players, coaches and referees with respect.

This week's special at the canteen

Corn on the Cob

\$1.00

Available recess, lunch or in your lunch order.

Attention photographers Get snapping!

Science Week Photographic Competition is approaching!

Jervis Bay Maritime Museum, celebrating National Science Week, is holding a photographic competition with the theme, **Our Moon**. Search out the moon in any of its phases. Be creative in your interpretation of the theme in any photographic style.

- Two sections: Open and School Students.
- Prizes will be awarded
- Entry fee: \$10 Open, \$5 School Students.
- Submit photos in digital form by July 1.

For more information email: enquiries@jbmm.asn.au

Interschools Snowsports Team - Expressions Of Interest

The Interschools Snowsports competition will once again be held in Perisher in 2019. Snowboarding events will be held on Wed 24th July and skiing events on Thurs and Fri 25th and 26th July. Events include Skier X, Boarder X, Giant Slalom and Moguls. If your child is interested in competing and you would like to find out more please call Alison on 0437011663 or email alipakes@gmail.com. If you are interested in being involved, now is also the time to start investigating accommodation as it can be difficult to find closer to the time. There are also opportunities for discounted or free tickets on the day of races for parents which I can explain. You can also find more information at <https://www.nswinterschools.com.au>.

Learning Labs in the next school holidays

Little and Early Learning Labs is an enrichment program designed for students who are excelling in their area of interest within their year group, and are seeking a challenging and fun experience during the school holidays. All workshops are held over one (mini-labs) or two days at the University of Wollongong and are presented by teachers with specialist training or a specific interest in gifted education. For more details on how to apply go to the website www.uow.info/learninglabs.

Did You Know?

Almost 3 in every 100 children have a peanut allergy. Even trace amounts of peanut or tree nuts can trigger an allergy and kill a child.

Anaphylaxis is a serious allergic reaction that can cause itchy rash, throat or tongue swelling, shortness of breath, vomiting, light-headedness, low blood pressure and cardiac arrest. Tragically, Australian children have died at school from nut allergies.

There are several children at Milton Public School who have a life-threatening nut allergy. Our school strongly encourages you to help minimise harm to those students by **not sending nuts or nut products to school**. Your assistance and understanding is very much appreciated.

Storyfest INC.

A three day festival for the writer, the reader, the dreamer and storyteller.

Family Events

All day Saturday June 22 in The Milton Library precinct

\$8 Day Pass for kid's events.

WASTE-FREE LUNCHES

A waste-free lunch has no throw-away packaging. Everything in a waste-free lunchbox can be eaten, reused or composted. It's an easy way to provide a healthy lunch with less processed food.

Children learn to REDUCE, REUSE, RECYCLE and COMPOST

REDUCE...

- Reduce the amount of waste we send to landfill. The average Australian household throws away almost 18kg of garbage each week!
- Reduce the amount the school spends on waste collection. Waste that is compostable provides food for the worm farm.

Save money and cut food waste by buying food in bulk e.g. seasonal fruit and veg, food in larger packs or tubs (such as low-fat yoghurt, cheese and crackers) and place into small reusable containers.

Use food that doesn't need packaging – such as an apple, a banana, a small carrot or a boiled egg.

REUSE...

- Use containers that can be washed.
- Drink bottles can be refilled with water.
- Prepare extra for dinner and pack leftovers in lunchboxes.

AVOID...

- Steer clear of plastic wrap and foil.
- Don't use disposable items like plates, knives and forks.
- Avoid individually wrapped serves of food or packaged items e.g. chips, small yoghurts.
- Write your name on containers to avoid losing them.

COMPOST...

- Tell your child to put any scraps into the green waste bin – or take it home for composting.
- Encourage your school to compost or have a worm farm.
