

Term 2 Week 10

Tuesday 2nd July 2019.

NAIDOC week Celebrations – VOICE TREATY TRUTH

Wednesday 3rd

Assembly Time – 10:20am seated

Sausage Sizzle – Free at lunch time

NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture, traditions and achievements of Aboriginal and Torres Strait Islander people. Tomorrow, the whole school will be celebrating NAIDOC DAY and learning about this year's theme: **Voice Treaty Truth**.

On Monday morning, our local elder, Uncle Vic performed a traditional Aboriginal Smoking ceremony at the school gates, which involved burning native plants to cleanse the air and to ward off evil spirits.

Tomorrow there is a **free BBQ** for all school children, teachers and helpers. If you do not wish for your child to have a sausage sandwich, please send them with their own lunch. Children will need to bring their own recess as usual. If you are able to come and help serve the students at lunchtime, please drop by from 12:20pm at the canteen. We would appreciate your help. The canteen will still be open for snacks and drinks at recess and lunch.

War on Waste: WOW!

This week's fabulous Warriors are:

Staffroom: Grace, Olivia, Luca, Mia

Compost: Suvi, April, Bella, Jennifer

Return and Earn: Eve, Danika, Jaya, Jamie-Leigh

Soft Plastic: Rosie, Charlie, Lillian, Zara

K-2 Frolic 'Disco Fever'

The Frolic is a fun night held for K-2 students where they perform dances for their parents that they have learnt throughout the year. It will be held at the Ulladulla High School Hall on Wednesday the 7th of August. Students are asked to wear disco themed clothes for the night. More information about the Frolic will be released early in Term 3.

Athletics Carnival

The sunshine came, the oval was immaculate, the students looked fantastic in their team colours and the starting gun sounded. Students battled with long distances in the 1500m and the 800m early. Nearly all students went in their age races and the Egg and Spoon Race was a team success. The grunt and pull of the Tug-of-War was a fascinating and competitive battle. The finals were a demonstration of speed and style. The teachers were supported with a giant coffee run from Brown Sugar and the day finished with big smiles and a winning house! But who was the winning house? Thank you to all of the teachers and Wade for setting up a wonderful day at Milton PS.

From the Principal

As term 2 comes to a close I'd like to thank our wonderful Milton School community, our great kids and talented staff for all the individual and team efforts to ensure the term was engaging, creative, academic and generally jam-packed with learning. The learning environment at Milton PS is certainly exciting with so many opportunities for students to grow and develop as individuals. It is only through supportive parents and amazing staff that we can offer such a broad curriculum – Thank you.

WHAT'S HAPPENING THIS WEEK

WEDNESDAY

- NAIDOC Week—Assembly and Sausage Sizzle
- Tennis Coaching—4T, 5W

THURSDAY

- Sydney Grammar School Band performance and workshop
- Tennis Coaching—4A, 5Y

Friday 2nd August

EDUCATION WEEK
5TH—9TH AUGUST

K-2 Frolic
Wednesday 7th August

Open Day / Grandparents Day
Thursday 8th August

3-6 Athletics Carnival 2019

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy \(https://www.education.gov.au/privacy-policy\)](https://www.education.gov.au/privacy-policy).

Further information about the NCCD can be found on the [NCCD Portal \(https://www.nccd.edu.au\)](https://www.nccd.edu.au).

If you have any questions about the NCCD, please contact the school.

Boys' Dance class

In Term 3 and 4, Miss Howes will be running a boys only dance class during one lunchtime a week.

Boys in Year 1 to Year 6 are invited to attend to learn a variety of dance styles and to have fun. Miss Howes is hoping to encourage more boys to audition for the 2020 Eisteddfod Dance Troupes. Further information will be provided to students next term.

Science Club – Term 3

The Science Club for Term 3 is already full. Successful candidates will be notified by email. Thank you for the amazing response!

Kindergarten Enrolment

Milton Public School is now taking enrolments for Kindergarten 2020. If you have a child that will be enrolled for Kindergarten in 2020 or you know of someone who does, please complete the Expression of Interest form available from Pre-schools, the school office or go to : milton-p.school@det.nsw.edu.au and follow the links.

The NSW Department of Education has an ongoing commitment to providing opportunities for talented students to participate in musical experiences outside of the normal school setting. Students in Years 5 and 6 are given the opportunity to attend.

Where: The Tops Conference Centre, Stanwell Tops. Travel to and from the camp is the responsibility of the student and their family.

When: Monday 23rd September to Thursday 26th September 2019. Students are required to stay for the duration of the camp (4 days, 3 nights).

Who: Students in Years 5 and 6 from any instrumental family, including voice.

Cost: \$450 (payable by 5th July. Cost includes accommodation, all meals, Camp T-shirt and music.

More information can be found at: <https://southernarts.schools.nsw.gov.au/music/south-coast-music-camp.html>

If you would like your child to participate in the camp or if you would like more information, please contact Mrs Lawlor by **Friday 28th July** (emily.toole@det.nsw.edu.au).

Year 2 Excursion to Tabourie

Last week, the Year 2 students and teachers, dressed in old fashioned attire, from head to toe (looking stunning might I add), hopped into their horse and carts and travelled back in time down the bumpy dirt road to Lake Tabourie Museum. The students were totally amazed at the 'technology' of yesterday like phones with cords and gramophones for music! The students played old style games with balls and skipping ropes before returning to 2019. Whispers say that everyone slept well that night!

Weekly Tip: Helping your kids feel special.

Weekly tip: sports performance

Our weekly tip aims to inspire and equip dads with kids in sport. This week, we're reflecting on what really matters in sport.

- Understand and remind yourself why kids play sport – for mateship, fun, socialisation, challenge, competition and achievement.
- Teach the value of team, community, healthy competition and fair play.
- Ask yourself, is your child playing for you, or for their own enjoyment? If they're playing 'for you', think about if this is what you want - and consider allowing more freedom to choose their activities.
- Take off the pressure to achieve – and encourage simply 'doing your best'.
- Get involved in the team but know your place and avoid overstepping your role.
- Balance sports with other activities like play, learning, outdoors activities and conversations.

Be Connected – improving computer literacy for older Australians

Be Connected is an Australian Government initiative aimed at increasing the confidence, skills and safety of Australians aged 50 years and over, using any digital technology, such as phones, ipads, tablets, laptops and desktops.

FREE WORKSHOP - to learn the basics of how to connect online, including how to:

- use a digital device
- be safe online
- send emails
- use Facebook and other social media
- shop online
- share holiday photos with family, and much more.

Holly Burns FOUNDATION

Presents

On Saturday 31st August 2019 we are holding a HOLLYWOOD Red Carpet Event

at the Civic Centre for little Holly, to help raise money for a van suitable for a larger and heavier wheelchair, and other equipment Holly will need.

We are currently trying to source prizes for use on the night.

If you or a business you know might be willing to sponsor the event, donate a prize, voucher or another suitable item for us to use as a prize or auction item on the night, we would very much appreciate hearing from you. Any donation would be greatly appreciated.
