

Term 3 Week 5

Tuesday 20th August 2019.

## GOLD BAR 3 – Annie-Maree

*Congratulations Annie-Maree, you are a thoroughly deserving recipient of Gold Bar 3. Everyone knows that you are beautiful, kind and considerate with a heart of gold. You are there for everyone, including when you are needed. Also, you have a fun, silly side - which means don't touch her lollies. Annie-Maree has represented Milton Public School in numerous activities and sports and does so with talent, skill and enthusiasm. Very rarely does a Year 5 student get a Gold Bar 3 but everyone knows why you did Annie-Maree. You really are one of a kind.*

## Regional Excellence Award for Leadership

Recently, Mr Mark Thomson, Principal Milton Public School, was awarded the Regional Excellence Award for Leadership. The citations reads:

*Mark Thomson is the Principal of Milton Public School which is one of the largest primary schools on the South Coast. He is a principal who leads with vision, innovation and community spirit in ensuring his school is positioned in the best possible place to prepare his students for the challenges of the world beyond school. The school has strong literacy and numeracy strategies, a clearly articulated digital strategy, engaging cultural connections to the Local AECG and Aboriginal elders, and the support of community organisations and services. The school has made excellent progress in NAPLAN testing and in particular Aboriginal students have made significant gains in both literacy and Numeracy placing them above state average. Mark has been pivotal in representing colleagues at all levels of the Primary Principals Association across NSW and continues to work on reference groups to ensure principals are supported. A caring, committed and professional colleague who is deserving of recognition. Congratulations Mr Thomson! This is extremely well-deserved and we appreciated your continued professionalism and vision for our school.*

## SRC Mufti Day

The first fundraising event from the Semester 2, SRC is Black and White Day. This will be held this **Friday, 23rd August** to raise funds for our local volunteer Rural Fire Service. The students are encouraged to wear black and white to school. This could be as simple as black jeans and a white shirt, or more intricate like a martial arts uniform, 101 dalmatians theme, prison stripes, a suit or whatever your imagination and time allows. The SRC is asking all students who participate in this fundraiser to donate a gold coin (or more if you are feeling generous). Year 2 are attending an excursion to Ulladulla on Friday 23rd August and are asked to wear school uniform. Year 2 students will have their own special mufti day next Friday 30th August.

## High School Taster Day for Year 5

*I learnt that the flame in Chemistry when added with powder would turn red, orange and green. It was so epic! I also liked the Viking alphabet and putting your initials on a biscuit with icing. It was yummy. I can't wait for High School and I was amazed that the school was so big. I didn't get scared. Chloe 5C*

*Today I went to the High School for the Taster Day, We did a lot of activities like mask making, volcanic explosions, muffin mountain and we received a free sausage sizzle. My favourite one was the mask making because we got to paint the masks. With the cookie making you had to write your age in a symbol and I made mine out of mini M&M's. It was so sweet. Also my favourite was the explosion and I did it with my cousin. We did a coke explosion when you had to put Mentos into coke and it exploded so it looked like a volcano. Stevie 5C*

*We first visited the circus activity and we did juggling. We also did a thing called a ring where you could hang upside down. Secondly, we did an experiment which was my favourite where we used some chemicals to make rainbow colours in a flame. After we made cookies, decrypted letters and played hangman. Jake 5C*

## Touch Football

The Milton PS Touch Knockout team have been successful in reaching round 5 of the PSSA knockout competition. After defeating Ulladulla in round 2, we progressed to play Narooma where we were triumphant, 7-0. Then we made the big hike to Tathra where the girls again were the victors with a 5 points to nil win. Our next feat will be in Batemans Bay for round 5 of the competition. Thank you to our supportive parents who have given up their time and lots of petrol to cheer the girls on. Go Milton and watch this space!!

## AFL

On Wednesday the 14<sup>th</sup> of August, the Milton AFL team went up to Vincentia to play rounds 2 and 3 or the PSSA AFL Knockout. The team's first game was against Vincentia. The first half of the game was amazing with Tom and Lane doing a fantastic job. Harry scored an outstanding goal that the team set up and Jacob with two great goals. The second half was tight with the scores 18 all. Then, Indy tapped a cracking hit out to William and we got a behind, making the score 19 to 18 with 1 minute to go. In the last 30 seconds, it was an amazing effort by Milton to defend, meant that Milton won by just a single point.

The next game was against Warrawong Public School with Milton having an awesome win 21 to 7. Everyone finished with smiles on their faces and we now get to go to the next round against Broulee Public School.

Thank you to the parents and supporters who travelled with us on Wednesday and a big thank you to Ryder and Kodi. Good luck to all the players in the next round.

By Lachie and Indy

## Milton Snowsports Team

A couple of weeks ago 5 students from Milton Public School competed in the Interschool's Snowsports ACT and Southern NSW Championships at Perisher. Congratulations to Lilly, Madeleine and Charlotte all from Year 5 who finished 10th in Giant Slalom. Well done to Sophie from Year 4 who finished strongly in both her races. It was a very tough competition with more than 80 competitors including the strong Snowy Mountains schools. A special congratulations to Kyle from Year 2 who competed on the snowboarding events and has made it through to the next round. He will be competing at the State Championships in Perisher this week in both Border X and Giant Slalom. We wish him the very best of luck.

## Year 5 Berry & Year 6 Canberra Camp

The Year 5 camp at Berry Sport and Recreation centre and the Year 6 excursion to Canberra are fast approaching. The final instalment of \$60:00 is due this **Friday 23rd August**.

## Father's Day Stall

Milton Public School P&C Fathers Day stall will be held **this Friday 23<sup>rd</sup> August**. Children will be able to purchase a gift for their dad, grandad or someone they look up to. It is a special opportunity for the children to express their gratitude for being a great role model throughout the year. The stall runs from 9:20am until 11:30am. Each class will attend the stall and children can choose the gift(s) they'd like to give. Please send your child with \$5 to buy a gift. We would like to be able to wrap some of the more fragile gifts in bubble wrap. If you have **bubble wrap** at home that you would like to donate, please send it in to the school office. Also if there are any parents who are willing to help out on the stall on Friday, 23<sup>rd</sup> August, your help would be greatly appreciated. Please leave your name with the school office.

## The Future of our Canteen

No experience is necessary. We just need a bunch of happy, positive people who can lend a hand to keep the canteen operating. We will even supply you with lunch. Can you help? Please phone Bec our canteen manager through the school office (4455 1504) between 9:30am and 2:30pm school days, or fill-out the return slip included with this newsletter. Parents, grandparents and community members are all welcome.

## This week's special at the canteen

## War on Waste: WOW!

### WOW Superstar!

The Superstar for this week is Oscar in Year 4. As part of a homework challenge, Oscar created a poster regarding War on Waste. He has challenged the entire school community to a "Plastic Free Day", this Friday, the 23rd of August. For students, that means no soft plastic in your lunch box. (Think paper towels, reusable containers, linen napkins and beeswax.) For staff, think likewise, and maybe no laminating! So, get on board, we can win this war! Thanks Oscar!

### This Week's Wondrous Warriors!

**Staffroom:** Kaimalee, Lillian, Oscar, Rosie and Luke.

**Compost:** Grace, Olivia, Claire, Piper and Brooklyn.

**Return and Earn:** Lois, Bethany, Willow, Matilda, Marlee and Taz.

**Soft Plastic:** Charlie, Cassie, Vanessa, Matilda, Bella and Jennifer.

## Lids for Kids

**Lids for Kids** is an initiative that aims to collect most milk and drink bottle lids and with the help of Envision, turn them into prosthetic hands for children whose lives could be greatly enriched with such a precious invention. There is a bucket now on the canteen counter for you to drop your lids into. Please feel free to bring them in from home as well. Grace Wall and her Mum have offered to collect all the lids from school and deliver them to Tidal Yoga in Milton. Thanks Grace (and her Mum!) Bec in the canteen has been researching this initiative and the hard plastic "square" which seals your loaf of bread, can also be placed in the bucket. Thanks Bec!

## Reading is my secret power.

### Book Week – Week 4

Book Week is being held between Saturday 17th August and Friday 23rd August this year. The theme for this year is 'Reading is My Secret Power'. We have been reading the Children's Book Council of Australia short-listed books in the library this term and students can vote on the winner and have a chance of winning some prizes. Entries for the competitions are now open and will close on Friday 17th August. Students will need to enter the competitions at the library. The prizes will be handed out in the coming weeks. We will also be having other competitions with book prizes for some lucky students based on the Book Week theme. Due to the large number of recent activities a parade will not be held this year but will resume in 2020. Students from year 2 will be travelling to Ulladulla Civic Centre on Friday 23rd to view two plays based on this year's picture books. A challenge has been put forward to all students at Milton Public School to increase borrowing. A target of 20,000 borrowed books will hopefully be reached by the end of the year. Currently our school community has borrowed 9,146 items to date. All students are able to borrow before school and at lunchtime as well as their allocated class time. Below is a list of class borrowing days for term 3.

## THE SCHOOL FETE

### PARENT HELPERS needed please.

We have ordered a beautiful, sunny day for this year's school fete which is set for FRIDAY 20th SEPTEMBER. So, put it in your diaries and make sure to tell your friends and families too. Everybody is welcome! The fete runs from 11:00am until 2:00pm and is an exciting day for all. Our aim is to raise funds to purchase great resources for the children of Milton Public School. In order for us to make our fete a successful fundraiser, we need the generous support of parents, caregivers, grandparents and volunteers to help run the stalls. Please note: Parents of Kindergarten children may be required to escort their child around the school on the day unless you have a kind grandparent or friend that may wish to help you out with your child. Some of the stalls we are having this year are:

- Cake Stall
- Chocolate Wheel

- Fairy Floss
- Home grown / Home-made craft & produce
- BBQ (people to cook sausages and to serve)
- International Food Court
- Plant stall
- Raffle
- Show Bags

We will also need people to help set up PRIOR to the fete (9:00am - 11:00am).

There will be some very exciting class stalls to be run by our fabulous teachers and students.

Finally, are you a gardener? Perhaps you would like to start potting some plants for our plants and produce stall. Do you have any free range eggs, homemade jams, crafts or chutneys you would like to donate for us to sell? All donations will be greatly appreciated!

If you are able to spare an hour (or more) at one of the P&C run stalls or you can help with set up prior to the fete starting, please complete the slip at the end of the newsletter and return it to the school.

Alternatively, you can email our P & C president Anita Barry: anita.barry1@det.nsw.edu.au or come along to our next P&C meeting.

## P & C Raffle News

We have started our major fundraiser for the year, the **Gold Coast Holiday Raffle**. We hope that as many families as possible can support this great fundraiser. All monies raised will assist in purchasing educational tools and supplies for our school.

You should have received a raffle book (one per family) with 20 tickets in it. Each ticket sells for \$2.00. Once sold, please return money and ticket stubs to the front office. Partially sold books should also be returned with their monies and unsold tickets. You can request more raffle ticket booklets at any time.

The raffle prize is for 5 nights staying at the Seaworld resort (4½ stars) for two (2) adults and two (2) children (0-12 years) and includes a \$1,000 Virgin Australia flight voucher. Also include is unlimited entry to the 4 major theme parks and a \$200 food and beverage credit at Seaworld.

Also on offer are the following incentive prizes, plus heaps of fabulous runner-up prizes.

### BOOK SELLERS PRIZE

Each family who sells or purchases a complete book of raffle tickets will go into the draw to win a MP3 Player.

### BEST SELLER PRIZE

The family who sells the most complete books of raffle tickets will receive a \$50 Ulladulla Toyworld voucher.

Thank you in advance for supporting our major fundraiser for the year, and Happy Fundraising!

Please remember to return your raffle tickets by **Friday 13th September**.

## Weekly Tip: Helping your kids feel special.

### The Fathering Project

In August, our weekly tips aim to inspire and equip new dads.

This week, we are taking a look at the importance of strong interaction and play with newborns.

- Newborns enjoy playtime as much as older babies.
- Your style of play may be different to that of your partner's, and that's okay - your baby will love playing with both of you.
- Try carrying your baby in a sling or front carrier on walks or as you go about your daily routine - this can help them feel constantly connected to you.

Read to your baby regularly, your baby loves the sound of your voice.

If you feel overwhelmed, connect with people around you or seek support. There are many support and information services available - check out those listed on [thefatheringproject.org](http://thefatheringproject.org).

### 'Dads and Father Figures Only Night'

Ulladulla Civic Centre

Monday 2nd September 6:30 pm start

MU APEX DADS Group and The Fathering Project presents

A night to "continue the conversation about fathering" started at the Paper Planes and Pizza night in Milton.

The Topic: *"The Fathers Voice, a powerful force for kids well-being."*

Our kids want and need to know what their father or father figures think about them.

But if we don't tell them, how will they know?

During the evening will discuss how other fathers have instilled wisdom, knowledge and experience into young adults thinking in advance of life's challenges.

The fathers voice is often the advice drawn upon in tricky situations.

A memory for when dad is not around. *It could save your kids life.*

We will talk through practical ways to build that voice in your kid's head.

So come and join us on our Dads Night in Ulladulla

Presented by David Forrest, Father of 3, Husband and NSW School Programs Manager for The Fathering Project.

**PROGRAM INFORMATION**  
Little and Early Learning Labs is an enrichment program designed for students who are excelling in their area of interest within their year group, and are seeking a challenging and fun experience during the school holidays. All workshops are held over one (mini-lab) or two days, and are presented by teachers with specialist training or a specific interest in gifted education. There will be sponsorship places available for some participants - please see more details on how to apply for these places on the website.

**WORKSHOPS ON OFFER - FULL LIST & WORKSHOP DESCRIPTIONS ONLINE**  
Learning Labs workshops cover a range of diverse and innovative disciplines that are designed to challenge and stimulate the interest of self-motivated and curious learners. Here are some examples of what's coming up in October:

**What happens when...**  
In this workshop we'll be the science experiments presented at the end of the lesson. These will be fun, and will include some experiments that you can do at home.

**Clay Cafe**  
Come join us at Clay Cafe where you'll get to design your clay workshop while creating and painting a masterpiece of art.

**EV1 Robotics**  
Bring the fascinating world of robotics alive with Lego Mindstorms EV3. We'll go through the process of identifying a problem, creating a solution, and then building a robot to solve it.

A full list of the available workshops to choose from will be posted on the website in July 2019 when applications open. Please note that the program books up quite quickly, so ensure you submit your application as early as possible.
